

The Weekly Warrior

WEEK OF MARCH 20-24, 2023

MESSAGE FROM OUR PRINCIPALS

Families,

Happy first day of spring! It's hard to believe that it's spring with this winter weather we have been having!

This week I will keep it short and sweet. PLEASE complete our family One Voice survey if you have not yet. We NEED to hear from you, and the deadline to complete this is THIS Friday. Typically, we have the most family participation in surveys compared to our other KIPP schools. So far this round we haven't had as many of you complete it. Complete your survey and shows us proof (the final screen) and you will win some KWPA swag! We are only as strong as all of us combined, and we need to hear your feedback in order to continue to get better every day! Ms. Taylor, our parent liaison, has also been calling households to help you complete the survey on the phone, so make sure to answer! We need you! Take a few minutes and complete it NOW—scan this QR code on your phone!! Thank you!!

In partnership,

Ms. Stifler

Lower School Principal (K-4)

Greetings Families! Quick Survey, We Need Your Feedback!!

Your voice truly matters!
**Please take a few short
minutes to complete.**

Rising 6th grade students and conditionally enrolled students are ineligible to participate in any Athletics program until all registration requirements have been satisfied.

Who needs to re-register?

Students are only required to complete re-registration when:

- Currently enrolled 5th grade KWPA scholars
- The student is entering the 6th Grade
- A move has occurred from the enrolled residence

What is required?

- Parent/Guardian Photo ID
- Online Census Demographic Update Form
- Proof of Residency(Lease, Mortgage & Ga Power bill within 30 days).
- Affidavit of Residency
- 3 Additional Documents if Lease or Ga Power is not in the enrolling Parent/ Guardian name.
- Vitals (Birth Cert., SS card, 3300 Form & Immunizations).

The Registration Process

Online

Parents can complete registration via the Census Update Form. Please click the following link [KWPA Census Update](#) to complete re-registration.

Change of Address

If a student's residence or contact information changes during the school year, following spring registration or over the summer, the parent or guardian is required to notify the school. The parent or guardian must complete a change of address form and a new residency affidavit accompanied by new proof of residency documentation. This information must be submitted within **ten (10) days** of any move or change of address. This form should be returned to the Main Office or Registrar's Office of your child's school. Students discovered to have moved out of the school zone who have not informed the school of the updated address may be withdrawn immediately and placed in the school to which the current residence is zoned.

UPCOMING EVENTS

Looking for an afterschool program to help your child get more physically active through running?

Check out Atlanta Track Club's Kilometer Kids program being offered at your school or in your community! The free, 10-week, game-based running program for kids in K-5th grade is designed to teach them about goal setting, healthy habits, respect, and community building, all through exposing them to the sport of running. There is no fee to participate, and the program is for all elementary students regardless of running ability or experience. As a noncompetitive program, being a Kilometer Kid is not about running the fastest or winning the race. Instead it's all about **working hard, being kind,** and **having fun** while becoming more physically active, being a part of a team and finding joy in the process.

Each Kilometer Kids site practices at different times and different locations, so be sure to check with the Kilometer Kids coach at your school or in your community to learn more about when and where they practice.
