

Greetings Carver Cluster Families:

We are excited to announce an updated registration process for the Carver High Schools Campus for SY23-24! In an effort to increase the number of Carver Cluster scholars enrolled in high school and prepared for Day One, we will open registration for rising 9th graders on **Tuesday, March 14th**. This change is in direct response to our families' desire for a more streamlined registration process, as well as an opportunity to learn more about Carver Cluster High Schools and the outstanding curriculum and programs available to their students.

Please see important dates below regarding rising 9th grade registration:

- **March 14th:** registration opens for rising 9th graders from Price and Sylvan middle schools.
- **March 14th - April 28th:** Price Middle School, Sylvan Middle School and the Carver Campus High Schools will host engagement opportunities to assist with registration. **Family Engagement events are on the back of this letter and on schools' websites.*

To register your student, please scan the mobile QR code or visit <https://tinyurl.com/bdh2xz7u> from a computer to complete the registration process for SY2023-24. The deadline to complete registration is **May 15, 2023**. Our goal is to have 100% of Carver Campus High Schools rising 9th grade scholars registered by May 15th. After May 15th, the District Office of Student Assignment will assign scholars as follows:

- **Unenrolled Price MS students will automatically roll-over to Carver STEAM**
- **Unenrolled Sylvan Hills MS students will automatically roll-over to Carver Early College**

If you need assistance with the registration process, please contact your child's current school.

Mark your calendars for our first Family Engagement opportunity on **March 21st** -- a virtual Carver Campus meeting where members of Carver STEAM and Carver Early College will discuss programs of study and enrichment opportunities. Please scan the QR code below to access the link for the meeting.

We look forward to working with your families to ensure all of our rising 9th grade scholars are enrolled and ready for success in August!

Sincerely,

The Carver Cluster Principals

Christina Rogers - Carver Early College
Andrew Fuller - Carver STEAM High School

Larry Guilford - Sylvan Middle School
Luqman Rahman - Price Middle School
