LEVEL UP
YOUR SKILLS

Complete online certificate courses,
at your own pace and time.

Digital Marketing & E-commerce ▪ **IT Support** ▪
Data Analytics ▪ **Project Management** ▪ **UX Design**

The Google Career Certificate program is an online training program that offers professional certificates in fast-growing, high-demand technology fields. Courses are 100% online, can be taken any time, any where when it is convenient for you, and typically take 3-6 months to complete.

The program is designed by Google and taught by experts in the areas of IT, user experience design, project management, and more, and combines skills training with hands-on practice.

Check out the website for additional information. You can also reach out to Dr. Melissa Dandy Walker (mdwlker@apsk12.org).
