Dear Families,

We are getting closer to the date in which all schools will utilize HealthCheck to manage daily health screenings for students. This letter is to notify you that you should have received a user account and activation email from HealthCheck on 03/09/2021; Please be sure to click the activation link in the email, and register your account. Once activated, you will be able to access HealthCheck on any smartphone, tablet or web browser and begin performing HealthChecks immediately.

If you did not receive an activation email from HealthCheck, no worries! You can still sign up! You will first need to start the registration process by visiting the website below:

https://healthcheck.stratumhealth.io/#/sign-up.

Step #1: Fill out the required information

Step #2: Find your school and grade on the facility code printout you were provided, and type in the code. (see screen shot)

Step #3: Once all fields are complete, click sign up.

Step #4: Check your email inbox for final activation instructions. Done!

You can also search **HealthCheck app by Stratum** and download the app for Apple App Store (iPhone) or the Google Play Store (Android).

Respectfully,

School Administration.
