Frequently Asked Questions

My child(ren) **have not** been in school this year, what will the curriculum look like for them?

Atlanta Virtual Academy follows the same curriculum as the traditional schools. Teachers will help students acclimate to virtual learning with parent support.

What are the virtual school hours?

AVA Jr (K-5)	AVA Flex (6-8)	AVA Flex (9-12)
7:45 am-2:45 pm	No designated time	No designated time

- AVA Direct (K-5) coincides with the district's bell schedule since its instructional model is synchronous instruction (all students receive instruction from a teacher at the same time)**
- AVA Flex (6-12) courses are accessible 24 hours/day-7 days a week as instruction is asynchronous. Virtual Instructional Specialists are available to assist AVA Flex students during school hours although they can access their course material at any time.**

Students chosen in the lottery will receive access to a Parent Orientation session for more information about the AVA programs aligned with student grade level.

What does a typical day look like for an ES student?

Students K-5 will sign on virtually with their teacher for all core content. They have one Specials Rotation each day.

Lunch is 30 minutes and done off-line with whomever is supervising them at home.

What classes can an ES student take?

AVA Jr. offers core content in ELA, Reading, Math, Science, and Social Studies in Grades K-5.

We also offer Music, Art, PE, and Media as our Special Rotations.

Gifted Services are provided within the teachers classroom, there is no “pull-out” for gifted.

All students also participate in the district-wide intervention/acceleration block.

Frequently Asked Questions

What is AVA Flex? How is it different from F2F?

- AVA Flex is being offered for 6–12 grade students.
- AVA Flex is a full time academic program in which students progress through and complete their course(s) using the pacing calendar within their learning platform. This course content is completed on a flexible daily schedule but has fixed deadlines.
- AVA Flex differs from AVA Direct (F2F) in the instructional model (asynchronous vs. synchronous). AVA Flex students access their material via a learning platform accessible to them at any time. AVA Direct students receive instruction on a bell schedule and meet via Zoom classroom facilitated by teachers.
- AVA Flex students receive content help from Virtual Instructional Specialists by appointment during school hours.
- AVA Direct students receive content help from their F2F teacher.

What are the school hours for AVA Flex?

- There are no set school hours for AVA Flex. Students are allowed to set their own daily work schedule. Students must work every day that school is in session, but may choose to work in the morning, afternoon, or evening. Virtual Instructional Specialists are available to assist students during school hours by appointment.
- Lessons and instructional activities are delivered within the learning platform. Students log into the learning platform and access recorded lessons, complete quizzes, tests and assignments everyday. Virtual Instructional Specialists are available during specified hours for course support.

What core classes can be taken in AVA Flex?

AVA Flex offers a variety of core content classes at the general level with many also at the honors and AP level. We also offer several CTAE, and World Language options. However AVA Flex does not offer:

Gifted Classes IB, DE, or DLI courses ***
