

CLARK ATLANTA UNIVERSITY

Google Scholar Academy

Established: Summer June 26, 2022

GOOGLE SCHOLAR ACADEMY | VISION

The Google Scholar Academy is a comprehensive program that focuses on career readiness and leadership development for incoming Fall freshmen and transfer students who possesses a minimum of a 3.0 Grade Point Average. Clark Atlanta University and Google, Inc. has partnered to create an academy that provide students with a three (3)-week intensive Summer Bridge Program that continues their development with structured programming and training until the end of their matriculation ensuring collegial success, retention, and ultimate graduation.

GOOGLE SCHOLAR ACADEMY | MISSION

The Google Scholar Academy's mission is to admit incoming Fall freshmen and transfer students into Clark Atlanta University and provide these students with the opportunity to serve as Google Scholars where they will gain knowledge, develop skills, and explore careers under the auspices of Google Inc. while gaining an academic, cultural, and communal experience through career readiness and leadership development.
