

Race2Read

Help Grady meet our goal of 60,127 minutes of reading!

Atlanta Public Schools is *raising the bar* for reading via the district-wide **APS Race2Read: The 2 Million Minutes Challenge!** Reading minutes for each school are based on student enrollment and APS is challenging Grady students to read a combined total of **60,127 minutes**.

As we Race2Read, we're creating a culture of engaged readers at Grady. All reading counts whether it is reading for fun or reading for school! Read for pleasure, read to find out, read to defend a point of view, read to persuade, read to laugh, read to cry, read to understand. Read novels, newspapers, comics and more. Read, read, read anything! Just be sure to log your minutes via the virtual reading log **Beanstack Tracker**:
