

APS Partners with Fulton County Government to Offer Vaccine Incentives for Eligible Students and Families

Atlanta Public Schools in partnership with Fulton County Government will host upcoming vaccination events for eligible APS students and their household family members at four cluster high schools. Gift card incentives will be provided for the first 100 eligible students and family members.

Fulton County Board of Health will provide a \$50 gift card per vaccine dose to eligible family members. APS will offer an additional \$50 gift card to eligible APS students. Students can receive up to \$200 if they complete both vaccine doses. Eligible family members can receive up to \$100. Incentives are for the first 100 participants.

The vaccine events will be held on the following dates and times:

- October 23rd (first dose) and November 13th (2nd dose) at Washington and South Atlanta High Schools (from 10 a.m. - 2 p.m.)
- October 30th (first dose) and November 20th (2nd dose) at Carver and Douglass High Schools (from 10 a.m. - 2 p.m.)

Vaccine booster doses are not eligible for the Fulton County Board of Health incentives.
