JUAREZ

CLASS OF TWO THOUSAND AND TWENTY-TWO

*Valedictorian*  
-AND- STAR STUDENT  
SCORING A 1430 ON THE SAT

**Congratulations to Antoni Juarez on becoming  
a Gates Millennium Scholar.**

### Celebrating Our Raiders

Congratulations to our boys Baseball Team. They had a great season. Additionally, we are wishing our track team success as our students continue to compete in our regional track meet.

Greetings Raider Family,

Each day we are presented with challenges and opportunities. To overcome the challenges we face, we have to view each situation from a growth mindset. Having a growth mindset does not mean that the situation or issues are not difficult, it means that you examine how you can positively change the situation. Each challenge offers us an opportunity and grow. As our students continue to finish this semester strong, please challenge them to make sure they come to school on time, turn in all missing assignments, and ask his or her teachers for help if they are having difficulty in their class. Please touch bases with your students' teachers to discuss how we can work together to support your student.

Have an aMAYSing weekend.

Sincerely,

Doc

It's not about perfect. It's about effort.  
And when you bring that effort every  
single day, that's where transformation  
happens. That's how change occurs.

### Missing Laptop Fees

**We are now collecting all school-issued laptops and chargers. There is a \$250 fee for any laptop that a student has lost or not returned which was assigned to them during the 2021-2022 school year. Please encourage all students to return their devices in order to avoid being charged this fee.**
