Greetings Raider Family,

Seize the Moment

As we prepare to the final exams next week, I want to challenge our students to seize the moment. Each day, our students should reviewing notes from previous classes, asking teachers for during the day or during tutorial, and reviewing their Google Classroom to ensure they have turn in all missing assignments. When they are at home they should take time each day to ensure they have prepare themselves to be successful on their final exams.

Student Laptop

Parents, it is important that your student brings his or her laptop fully charged every day. They will need their laptops to take the finals exams in their class.

Student Half Days December 14th– 17th

Next Tuesday through Friday, students will have half days after they finish their finals exam. School will release at 12 noon Tuesday-Friday. Please make sure your students arrive to school before 8:45am and a ready to do well on their exam.

MAP Testing

Most of our students have concluded taking their MAP testing for Math and Reading. Next week, our counselors will contact parents of students whose schedule will be changed, because of their performance on the MAP tests. Have an aMAYSing break.

Sincerely,

Doc
