Greetings Raider Family,

Thank you all for another great week. As I reflect on the importance of Black History Month, I am thankful for the many sacrifices that our parents, grandparents, and elders made to provide us with many opportunities that were not afforded to them. They made sacrifices so that we could rise above our circumstances. Our children must seize the opportunity to chart a new way forward through academic excellence, strong character, discipline, and the willingness to partner with friends, families, and other community members to create the communities and opportunities our ancestors sacrificed. Our time is now!

Semester 1 Grades

Mays is providing students the opportunity to participate in our Extended School Day from 7:00—8:30 am and 4:00—5:30 pm. Please talk to your student to help them take advantage of this opportunity to get back on track for graduation. Additional information on the second page of our Weekly Raider Report.

Have an aMAYSing weekend and be safe.
