Greetings Raider Family,

Each day, we all face obstacles and opportunities. What shapes our day is how we respond to those obstacles and opportunities. One of my favorite sayings is “ Each day, you must choose the pain of discipline or the pain of regret.” We try to instill in our students the practice of ensuring each day that they take the opportunity to reset and improve. I want our aMAYSing teachers to continue speaking with students about challenges while offering them creative ways to improve upon areas of concern. Helping students take ownership of their success is a critical postsecondary skill they will need for a smooth transition after high-school graduation into either college or the workforce!

Checking Students Grades

Parents, please make sure you check your child(ren) grades. If you discover missing assignments, please have them expeditiously complete it. Moreover, frequently touch base with their teachers to receive needed support via tutoring or Amnesty Day.

Parent-Teacher Conference Tuesday 4:15-6:15

Please join us for our Parent-Teacher Conference on March 15th. If your student has failing grade or would like to improve their overall rape point average, contact their teacher to establish a student-centered plan of support.

Tardy Sweeps

We have implemented tardy sweeps to ensure students are attending their classes. Please remind you students to attend class on time. Wishing you success, Each Day!

Sincerely,

Doc

THE RAIDER REPORT

Raider Family,

Spring denotes the beginning of testing season and we want to make sure we communicate requirements for our Raider families. The two largest tests that will be given this Spring are the ACCESS for ELLs and the GA Milestones EOCs. Both tests are extremely important, as they provide essential data on the progress and readiness of our students. They also directly impact our schools College and Career Performance Readiness Indicator (CCRPI), which serves as our official school report card. All Juniors will also take the SAT and ACT in March. Please view the letter found [HERE](#) for more detailed information.

Responsibilities of the host LMS/Media Para (or designee):

Each Media Specialist/Paraprofessional (or designee) will be responsible for hosting the poetry slam and their participants in their school's media center at the designated time.

The host at each school will be responsible for student performances at their school and will review and vet all material to be shared with the school (district) community.

In preparation for the poetry slam, each host will set up a space in the media center where their students will go to share their poems.

Participants:

-Students can choose to participate as a group (no more than 5 students) or individually.

-Students are allowed to pre-record their entries but must be present virtually on the day of the event. **Live Performances are strongly encouraged.**

-Students may use notecards but works must be original.

-Each entry must have a title and a topic for a point of reference.

-Students must refrain from using profanity, and derogatory language.

-If a student is using music, it must be instrumental and clean.

-Performance cannot exceed 1minute (60 seconds)

-Students must be prepared to introduce themselves and their performance.
