Dear Mays High 11 Grade Families,

This is a **REMINDER of your final notice if your child’s immunization records at Benjamin E. Mays High School** are not up-to-date. Your child needs an **updated** immunization certificate (Form 3231) as required by State law.

We do not want to withdraw any students, however, failure to provide an updated shot record will result in the **immediate withdrawal of your child from school on September 15, 2023.**

Please see a list of organizations below that provide immunization in the area. Additionally, Walgreens and Walmart accept walk-in appointments.

**Note:** If you can provide proof of an appointment before September 30<sup>th</sup>, I will provide a waiver for your child to remain enrolled until their appointment. Please call Nurse Williams at 404.802.5120 with any questions.
