THE RAIDER REPORT

A Note From Doc

Greetings Raider Family,

Thank you all for another aMAYSing week! Our kids have done an amazing job with adjusting back to face to face instruction. Parents, please remind your students that they can not wear leggings, biker shorts, jeans with holes above their knees, slides/flip-flops, or hats in the building. Beginning Monday, August 16th, all bookbags collected will have to be collected by parents or guardians. Have an aMAYSing weekend.

Sincerely,
Doc

Mays High is a Verizon Innovative Learning School !

We are excited to announce that Mays High School is a Verizon Innovative Learning School. We are thankful for this partnership with Verizon and Digital Promise. The Verizon Chrome Books have embedded Wi-Fi which will allow students to use the internet while away from school. This will provide our students with the opportunity to explore more academic and career readiness opportunities. While we're waiting for the Verizon Chrome books to arrive, we have provided all students with a HP laptop.

We are in the process of preparing for the distribution of Verizon laptops to students, but before distribution can begin, students and parents must read, agree to comply with, and sign the online mobile device agreement form. We are asking for students to have this form completed by Friday, August 20, 2021. Students will not be able to receive the Verizon Chromebook until this form is signed and completed.

Please visit http://tinyaps.com/?chromebook_agreement or scan the QR code to complete the mobile device agreement. If your student is in need of a mobile hotspot, please visit http://tinyaps.com/?need_hotspot or scan the QR code.
