All testing will be online.

Please ensure that all students are present on testing days. Thanks in advance!

Student Reminders

ONLY clear or mesh backpacks are allowed.

A Note From Doc

Greetings Raider Family,

As our school family continues to grow, I want to highlight two key items that we will focus on over the next several weeks. Many of our students are not arriving on time. Please remind your student about the importance of arriving on time in the morning. School starts at 8:45am. Helping them develop the habit of being on time is extremely important for their future college and career success. In addition, please remind your students that it is also important to arrive to class on time to ensure access to quality instruction. Consequences for repeated tardies will be administered.

Lastly, I want to discuss the importance of community. As a community, we all play an important role in supporting the futures of our student leaders. Hellen Keller noted, "Alone, we can do so little; together, we can do so much". Our community has a rich history of creating leaders. Cultivating our future leaders is not an easy task, but together, we can and will empower our future leaders.

I wish each of you the most "aMAYSing" weekend!

Sincerely,
Doc

School COVID-19 Vaccination Clinic

Second Visit Updates!

The second visit is next week, from August 30 - September 3. Staff and students who wish to get their first shot next week are encouraged to do so! If a significant number of individuals receive their first shot next week, schools may have the opportunity to opt in to a third visit. Click on this link to sign up
