

Advice to students: “Be your best self every day.” - Dr. Mulanta Wilkins

Dear Raider Family,

According to Dorothy H. Cohen, “No school can work well for children if parents and teachers do not act in partnership on behalf of the children’s best interests.”

Often, the weekly addresses focus on our teachers, staff, and students. However, I wanted to take time to acknowledge our aMAYSing parents.

We have a great relationship with our parents as they are important stakeholders in our focus on student achievement and success. Let us not underestimate the impact and influence they have on our learners. It is the foundation that they have set that aligns to our expectations and standards. The parents give students tools and our teachers sharpen them.

Our school will continue our open-door policy that always invites parents into our classrooms and office spaces. The goal is to strengthen this bond, building upon the progress. A special thanks to the dedicated, active parents of our learners!

You are valued! You are extraordinary!

Your Proud Principal,

Doc

MAYS Giving

As the holiday season approaches, we are moving forward with giving back to our May families with our Annual Mays Giving initiative. We are humbly asking each department to participate. The Tyrell Adams Foundation has graciously agreed to donate 30 turkeys and some of our partners have agreed to support this initiative as well.

Here is where we need your help. Below you will find a list of the suggested items that will be placed in each box. Our goal is to fill at least 30 boxes for our families.

We will start preparing boxes for distribution on Thursday, November 17th, so we need all food items and/or boxes turned in by Wednesday, November 16th.

Students can participate by bringing non-perishable food items and placing them in the bin located in the front lobby by the Circulation desk. The box is labeled "MaysGiving donations.

Note: We cannot accept ANY perishable items.

Operational/Logistical

- **Take attendance during the first 15 minutes of class.** Students should remain in class during the first and last 15 minutes of class. The expectation is 100% “take rate” for attendance.
- **Hall passes are required for all students in the hallways.** Passes should include: student’s name, date, time of leaving, destination, and staff signature.
- **Duty Stations:** For all staff with a duty station, you are to report to your duty station at the appointed time. The duty report time is not the same as the arrival time to the building.
- **Class Transitions:** All staff are expected to stand in the hallway during class transitions. Help is needed to assist students with getting to class on time.
- **Headgear In Class:** It is a school-wide expectation that students don’t wear a hat or hood in the building at all. This includes in the halls and classroom. We must remain vigilant in order to ensure that we set the tone for school and remain consistent in our expectations.
- **Faculty/PLC/PL Meetings:** Unless communicated with your evaluating administrator, all meetings are mandatory. This includes ESOL and PEC personnel, as well as any supporting personnel that are in the classrooms with students.

“Whatever you do, strive to do it so well that no man living, no man dead, and no man yet to be born could do it any better!”
