### FOCUS

*Focusing is important because it helps us  
to be more efficient, productive, and  
effective in our work and personal lives.*

### DISCIPLINE

*Discipline is essential for achieving our  
goals, building positive habits, exercising  
self-control, developing resilience,  
improving focus, and managing our time  
effectively.*

### PRIDE

*Pride in your school means recognizing  
the value of your educational experience  
and contributing to its success and  
growth.*
