## **INFORMATIONAL BULLETIN**

**This message is to inform you that you may see media reports of an incident that occurred at our school earlier this week (we informed you of this incident previously).**

**I want to take this time once again to ask you to remind your scholars about the severe repercussions associated with violating Atlanta Public Schools' strict policy against bringing weapons onto district campuses and facilities. We plan to host a parent meeting on Tuesday, November 30th to answer any questions you may have about this incident and to discuss our safety plans and protocols.**

**Please know that Mays High School and APS are committed to providing all of our students and employees with safe and secure learning and working environments.**
