THE RAIDER REPORT

Advice to students: “Be your best self every day.” - Dr. Mulanta Wilkins

Dear Raider Family,

David Warlick stated, “We need technology in every classroom and every student and teacher's hand, because it is the pen and paper of our time, and it is the lens through which we experience much of our world.”

Benjamin E. Mays High School celebrated our Google Partnership Launch. Superintendent Lisa Herring, Google executives, and two hundred students participated in this event.

There are numerous incentives this union bestows, including providing students with scholarships and internship opportunities. Moreover, teachers have a resource for lesson planning. This is major because technology in the classroom connects information to pupils more significantly through educational tools, applications, and websites.

John F. Kennedy stated, “Partnership is a continuous process that grows stronger each year as we devote ourselves to common tasks.” Our school is extremely honored and looks forward to the aMAYSing possibilities of this alliance. The best is yet to come!

You are valued! You are extraordinary!

Your Proud Principal,

Doc

Operational/Logistical

- **Take attendance during the first 15 minutes of class.** Students should remain in class during the first and last 15 minutes of class. The expectation is 100% “take rate” for attendance.
- **Hall passes are required for all students in the hallways.** Passes should include: student’s name, date, time of leaving, destination, and staff signature.
- **Duty Stations:** For all staff with a duty station, you are to report to your duty station at the appointed time. The duty report time is not the same as the arrival time to the building.
- **Class Transitions:** All staff are expected to stand in the hallway during class transitions. Help is needed to assist students with getting to class on time.
- **Headgear In Class:** It is a school-wide expectation that students don’t wear a hat or hood in the building at all. This includes in the halls and classroom. We must remain vigilant in order to ensure that we set the tone for school and remain consistent in our expectations.
- **Faculty/PLC/PL Meetings:** Unless communicated with your evaluating administrator, all meetings are mandatory. This includes ESOL and PEC personnel, as well as any supporting personnel that are in the classrooms with students.

“Whatever you do, strive to do it so well that no man living, no man dead, and no man yet to be born could do it any better!”
