Happy Friday Raider Family!

We made it! We have successfully opened school for our Raider students. I am so proud of the work that we have done! I am also proud of how so many of you all have been flexible and pivoted in the midst of some aMAYSing mid-game changes. If this week is any indication of the work that we will do this year, I am so excited in advance!

You are valued! You are extraordinary! You are aMAYSing!

Your Proud Principal,

Doc

**Operational/Logistical Reminders– Please Read!**

**Lunch and Learn:** At this time, there will be no “Lunch and Learn” activities with students. All students are to leave the teacher’s class for lunch. Thanks in advance!

**Duty Stations:** For all staff with a duty station, you are to report to your duty station at the appointed time. The duty report time is not the same as the arrival time to the building.

**Headgear In Class:** It is a school-wide expectation that students don’t wear a hat or hood in the building at all. This includes in the halls and classroom. We must remain vigilant in order to ensure that we set the tone for school and remain consistent in our expectations.

**Warm Body Count:** For the Warm Body Count, it is essential that all students sign next to their names. If there is no signature on a student’s first day, the students don’t count toward the count. Also, ensure that you are properly counting and denoting the amount of students per grade in your class. If the students don’t appear on your roster or in IC, please send them back to registration.

**Faculty/PLC/PL Meetings:** Unless communicated with your evaluating administrator, all meetings are mandatory. This includes ESOL and PEC personnel, as well as any supporting personnel that are in the classrooms with students.
