THE RAIDER REPORT

Advice to students: “Be your best self every day.” - Dr. Mulanta Wilkins

Dear Raider Family,

Zig Ziglar maintains, “Its not where you start – its where you finish that counts”. You are the most aMAYSing staff ever. We are finishing strong in our testing season, we are making calls to parents, reaching out to students when they miss days, and finding students who are in the wrong classes. We are going to get that 95% and finish STRONG!

Thank you all for showing up in areas you are needed. Testing students in big groups, small groups, and using your free time to help others out in there time of need. As the school year comes to a close I am proud to call you all family. We have such a strong community here and it gets stronger daily.

Remember that testing season is a hard time to manage, but not impossible when we all work together to make it happen. “Coming together is a beginning; keeping together is progress; working together is success”. – Edward Everett Hale.

You are valued! You are extraordinary! You are aMAYSing! We are a family!

Your Proud Principal,

Doc

Hello aMAYSing Family,

In order to determine the leadership traits that would best describe the ideal Principal candidate for Mays High School, staff and community meetings were held virtually to gather input. The following profile summarizes the leadership characteristics and qualities valued by the school community (please see the attachment).

- **Take attendance during the first 15 minutes of class.** Students should remain in class during the first and last 15 minutes of class. The expectation is 100% “take rate” for attendance.
- **Hall passes are required for all students in the hallways.** Passes should include: student’s name, date, time of leaving, destination, and staff signature.
- **Duty Stations:** For all staff with a duty station, you are to report to your duty station at the appointed time. The duty report time is not the same as the arrival time to the building.
- **Class Transitions:** All staff are expected to stand in the hallway during class transitions. Help is needed to assist students with getting to class on time.
- **Headgear In Class:** It is a school-wide expectation that students don’t wear a hat or hood in the building at all. This includes in the halls and classroom. We must remain vigilant in order to ensure that we set the tone for school and remain consistent in our expectations.
- **Faculty/PLC/PL Meetings:** Unless communicated with your evaluating administrator, all meetings are mandatory. This includes ESOL and PEC personnel, as well as any supporting personnel that are in the classrooms with students.

“Whatever you do, strive to do it so well that no man living, no man dead, and no man yet to be born could do it any better!”
