

Advice to students: “Be your best self every day.” - Dr. Mulanta Wilkins

Dear Raider Family,

Bill Belichick stated, “On a team, it’s not the strength of the individual players, but it is the strength of the unit and how they all function together.”

I want to thank each of you for the outpouring of kindness you showed me during National Principal’s Month. Our aMAYSing teachers and students showered me with celebratory gestures. Reading the thoughtful cards and mementos filled my heart with pride and joy. I was reassured of why I am eager to come to work every day.

While delighted with your acts, it is you that deserves celebrating. You lead our students with diligence and professionalism. You give your all, selflessly focusing on the team that is our school.

Andrew Carnegie claimed, “Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results.”

A chain is only as strong as its weakest link. Together we are impactful when we operate as a unit. Our dedication and contributions to student success are our foundation. Let us continue building upon this catalyst in order to serve as a model of school excellence. This is only accomplished with your contributions.

You are valued! You are extraordinary!

Operational/Logistical

- **Take attendance during the first 15 minutes of class.** Students should remain in class during the first and last 15 minutes of class. The expectation is 100% “take rate” for attendance.
- **Hall passes are required for all students in the hallways.** Passes should include: student’s name, date, time of leaving, destination, and staff signature.
- **Duty Stations:** For all staff with a duty station, you are to report to your duty station at the appointed time. The duty report time is not the same as the arrival time to the building.
- **Class Transitions:** All staff are expected to stand in the hallway during class transitions. Help is needed to assist students with getting to class on time.
- **Headgear In Class:** It is a school-wide expectation that students don’t wear a hat or hood in the building at all. This includes in the halls and classroom. We must remain vigilant in order to ensure that we set the tone for school and remain consistent in our expectations.
- **Faculty/PLC/PL Meetings:** Unless communicated with your evaluating administrator, all meetings are mandatory. This includes ESOL and PEC personnel, as well as any supporting personnel that are in the classrooms with students.

“Whatever you do, strive to do it so well that no man living, no man dead, and no man yet to be born could do it any better!”
