

North Atlanta High School DRIVERS EDUCATION

**SAVING LIVES, ONE SAFE
DRIVER AT A TIME**

At Nathan's Driving School, Inc. we are committed to helping all drivers become safe and low risk drivers. We have over thirty years of experience serving the community with our programs. We understand the needs of teenagers and the challenges of driving in this day and age.

We have experience working with adults and teenagers and specialize in working with individuals who have a variety of exceptional needs and understand the needs of teenagers and parents today. Our instructors are compassionate, kind, patient and experienced. We support the local schools and organizations in our community.

We are a family run, second generation business. Our President, Nathan Lewit is a native local and stands behind every lesson and guarantees top-quality instruction, safe vehicles and experienced instructors. Our Vice-President Rachel Galotti is an experienced educator with an M.Ed and has taught for many years in addition to helping run our school. As a family business we treat our customers and students the same way we would treat family. We operate with integrity and teach our students that driving is a responsibility and a privilege. It is this personal touch and attention to high quality that has allowed us to grow from a one-man operation into one of Georgia's best and most respected driving schools.
