

# NORTH ATLANTA HIGH SCHOOL COMMUNITY SERVICE LOG

Students, this is a reminder that community service should be completed at a non-profit agency, or with a school organization. Hours earned at a “for profit” company are not valid and will not be accepted, even if you are not getting paid for your services. If you are not sure if the agency or organization with which you are volunteering is a non-profit, meaning they have a “tax exempt” status, you should inquire immediately. You may also consult with your counselor for guidance.
