

Cascade Elementary

Home of the Tigers

Volume 8 Issue 1

July 2025

Welcome Home: We are officially back in our permanent location!!!

Day 1 for Students is Monday, August 4, 2025

It is so good to be back in our permanent location at 2326 Venetian Drive. The building will be fully operable the week of July 21, 2025. The administrative team will be able to support families that need in person support for new student registration at that time.

We are looking forward to this new year and welcome all Cascade families to attend open house on Friday, August 1, 2025, from 9:00-11:00AM. School tours will be available because we know that you are excited to see the modifications that were made to our facility. Our general welcome session will start promptly at 9:00AM. This session is especially important for new Cascade Families to understand the logistics of the school day, which we call the Cascade Way. We will continue our practice of assuming normal operations on the first day of school, which means that parents will not be allowed to escort scholars to class. To accommodate parents that may not have been able to attend open house, the school will conduct a special first day of school tour on Monday, August 4, 2025 from 9:00-10:00AM. After 10:00AM, the Cascade Elementary School staff must return to their normal routines with the focus on teaching and learning.

Welcome Ms. Alina Porter

We have a new teacher joining the Tiger's Den!!

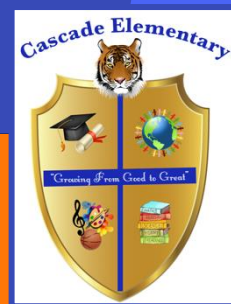

Ms. Porter has been teaching for the past 3 years. She is coming to us from Charlotte, North Carolina. Ms. Porter is extremely passionate about education and loves working with at risk youth. She will be the lead teacher in our new Autism Unit. We are very excited about her arrival and the arrival of the scholars that will be joining her class.

In Conclusion

I am beyond excited about the upcoming school year. Our school has come so far, and yet, I believe that we are on the horizon of the next level of greatness. Our team is committed to ensuring that academic excellence remains the priority each and every day. I am grateful that you have selected Cascade Elementary School this year and look forward to partnering with you again because you are a vital part of Cascade's Greatness.

Forever yours in service,

Ms. Tiffany Momon, Principal
