

21-22 School Year Registration!

Rising 6th Graders

The APS re-registration process only requires parents or guardians to register (provide updated proof of residency) when their child(ren) are new to the district, entering kindergarten, entering 6th grade, entering 9th grade, or whenever a change in residency occurs.

In order to ensure that we have allotted adequate space and resources for your child(ren) at their new school, we are asking that you complete online registration via your Infinite Campus Parent Portal account by March 31, 2021.

Parent Portal Account:

<https://ic.apsk12.org/campus/atlanta.jsp>

Parent Portal Help Page:

<https://www.atlantapublicschools.us/domain/11609>

After logging into your account, click on *More* and then *Online Registration for Existing Students*.

If you are having difficulty completing online registration, you may complete registration in-person ([by appointment](#)).

Should you have questions or concerns, you may set up an appointment to discuss registration with Mr. Perry [here](#).

PLEASE BE ADVISED:

Rising 6th and rising 9th grade students who do not complete Online Registration will not receive class assignments for the 2021-2022 school year, and may be withdrawn from school at the end of the current school year.
