

Dear Families,

We are getting closer to the date in which all schools will utilize HealthCheck to manage daily health screenings for students. This letter is to notify you that you may have received a user account and activation email from HealthCheck by Stratum. If you did receive a link, please be sure to click the activation link in the email, and register your account. Once activated, you will be able to access HealthCheck on any smartphone, tablet or web browser and begin performing HealthChecks immediately.

**If you did not receive an activation email from HealthCheck, no worries! You can still sign up!**

You will first need to start the registration process by accessing this link: **<http://tinyaps.com/?HealthCheck>**

**Step #1:** Select your grade and school on the form

**Step #2:** Select your school's facility code and Submit

**Step #3:** Copy the facility code

**Step #4:** Fill out the required information

**Step #5:** Once all fields are complete, paste the Facility Code, and click Sign Up (see screenshot).

**Step #6:** Check your email inbox for final activation instructions. Done!

Country  
United States

State  
Georgia

Facility code

**TYPE CODE HERE**

☐ I accept HealthCheck's [Terms and Conditions](#) and [Privacy Policy](#)

**Sign up**

You can also search **HealthCheck app by Stratum** and download the app for Apple App Store (iPhone) or the Google Play Store (Android).

Respectfully,

School Administration.
