

## Appropriate Attire /Appearance Policy

Best Academy (6-12) is dedicated to the total development of young men. As such we strive to instill, in the hearts and minds of every young man, the foundational principles of appropriate conduct, attire and appearance. This commitment is designed to achieve an important objective of the school’s vision, “to create a high-performing single gender exemplar that produces transformational leaders who contribute to the community.”

It is our expectation that students and parents who select BEST Academy do so because of the school’s growing legacy of producing leaders and its distinct reputation for developing and enhancing young men holistically. On the campus, and at school sponsored events and activities, students at BEST will be expected to dress neatly and appropriately at all times. The following are examples of appropriate attire for the various grade levels:
