Dear Parents/Guardians,

By now, many of you have seen the letter from Dr. Castarphen regarding important information and guidance on the coronavirus (COVID-19). While there are no confirmed cases of the Coronavirus (COVID-19) in Atlanta Public Schools, based on the recommendation and guidance provided by Governor Brian Kemp on Thursday, March 12, APS schools will be closed beginning Monday, March 16. We anticipate that, at a minimum, district schools and offices will remain closed for at least two weeks and potentially extend beyond Spring Break (April 6 - 10, 2020).

All students were given paper work packets as well as log in information for virtual learning through MyBackpack. Teachers and staff will be available through Google Classroom and email. We want to ensure that learning continues even though we will not be face to face with our scholars.

Today, all students were sent home with bagged lunches, snack packs and emergency meals. However, the information below was provided by the district in case any families need additional support during this time.

Food & Nutrition - Free meals for kids during Coronavirus School Closures

Please check the APS website (www.atlantapublicschools.us) as well as TV news outlets for updates. Additionally, please continue to check the school website (<https://www.atlantapublicschools.us/Domain/651>), our Twitter account (@AP SMAJ_Elem) and join Remind to receive text message alerts (see below).

During this challenging and uncertain time, please know that we have your students' best interest at heart. Thank you so much for your understanding. As always, the health and wellness of our scholars and community is our number one priority.

Sincerely,

Dr. Margul Retha Woolfolk

Principal
