Greetings APS Families,

Thank you for the ongoing support of your school community and all of Atlanta Public Schools. As partners in education, shared decision-making regarding certain matters is essential. Such matters include the Family Engagement and District Student Calendar Surveys. We've received a great response, but it is important to hear from more families.

Your opinion is important to us. If you have not completed both surveys, we kindly ask that you do so. The links to complete each one can be found below, and the deadline to complete both is **Friday, December 15, 2023**.
