9:30 AM TO 2:00 PM

Registration & Appointments Are Needed.

## PROVIDED BY VISION TO LEARN

The Fulton County Library System, in coordination with Vision To Learn, will offer vision screenings, eye exams, and, if needed, glasses\* for your child. **These services are free and will be provided at NO COST to you.**

Quality vision care is an important part of education; students that cannot see often struggle to learn to read, see the board, and succeed academically.

*\*Children who receive a glasses prescription will be able to select from a variety of frames. The library staff will notify you once the glasses are ready for pick-up at the library location. This will take approximately 4 - 6 weeks.*
