Admission Criteria for Pathways

- Students must be in the 10th, 11th or 12th grade during 2022-2023 school year and on track to graduate
 - Grade 10 (Cohort 2024) 6+ credits
 - Grade 11 (Cohort 2023) 12+ credit
 - Grade 12 (Cohort 2022) 18+ credits (preference given to graduating seniors)
- SST/504/Special Education – If yes, team must meet to confirm eligibility to participate
- Home school does not offer pathway requested
- GPA of 2.0 or higher (Recommended)

ACCA utilizes a lottery process to confirm student participation.

Early College Essentials Program

- The Early College Essentials Technical Certificate is designed to give high school students a head start on their college education while they complete a high school diploma. This program is a two-year commitment for completion; however, students can participate without completing the Technical College Certificate. Students must be in the 11th or 12th grade during the 2022-23 school year to apply. Students will spend half of their day at their home school and half of their day at ACCA. All courses are taught on ACCA's campus by Atlanta Technical College professors. This certificate is a great option for college bound students looking to graduate early from college/university...and saves parents thousands of dollars on college tuition. All classes are post-secondary general education classes and are transferable to any University System of Georgia institution. Participants must qualify for dual enrollment.

Admission Criteria for Early College Essentials

- Students must be in the 11th or 12th grade during 2022-2023 school year and on track to graduate
 - Grade 11 (Cohort 2023) 12+ credit
 - Grade 12 (Cohort 2022) 18+ credits
- Hope GPA of 2.6 or higher OR
- Meet the SAT/ACT/PSAT/ACCUPLACER entrance requirement of Atlanta Technical College
