

- [Welcome](#) to GATE! I'm Ms. C. Anderson!
- I look forward to promoting the [cognitive and affective](#) growth of our WMES Gifted & Talented Learners through the [Collaborative and Cluster Model](#)
- I am also excited to be part of the Enrichment Rotation this school year as the *Inquiry Lab* teacher.
- The *Inquiry Lab* will be called "*The WolfPack Idea Den*". In the Den, your child will face multiple open-ended challenges. The challenges are designed and facilitated in a way that stimulates curiosity and problem-solving skills.
