To APS Parents or Guardians:

Atlanta Public Schools (APS) is in the process of updating student records and pre-registering students for the 2022-2023 school year. The APS re-registration process only requires parents or guardians to register (provide updated proof of residency) when their child(ren) are new to the district, entering kindergarten, entering 6th grade, entering 9th grade, or whenever a change in residency occurs.

In order to ensure that we have allotted adequate space and resources for your child(ren) at their new school, we are asking that you complete online registration via your Infinite Campus Parent Portal account by **April 1, 2022**. To access your Parent Portal Account, please visit the website below or scan the QR Code.

Parent Portal Account: <https://ic.apsk12.org/campus/atlanta.jsp>

Parent Portal Help Page: <https://www.atlantapublicschools.us/domain/11609>

After logging into your account, click on **More** and then **Online Registration for Existing Students**.

If you are having difficulty completing online registration, please contact your child's assigned school (new middle or high school) for school 2022-23 and request a virtual or in-person registration appointment. Paper Census Demographic update forms are also available on our website at www.atlanta.k12.ga.us/enrollment.

Rising 6th and rising 9th grade students who do not complete Online Registration will not receive class assignments for the 2022-2023 school year, and may be withdrawn from school at the end of the current school year.

If you have any questions, please contact your child's assigned school for the 2022-23 school year. As always, thank you for your continued support.
