

Homelessness Prevention Program

AVLF has a program to help **families avoid homelessness** in the Brown Middle School zone.

- Do you have children enrolled in one of the following schools?

M Agnes Jones Elementary
Tuskegee Airman Global Academy
Brown Middle School

- Are you currently being evicted from your home? Or are you currently homeless?
- Are you at risk of losing your Section 8 Voucher?
- Have you recently been unemployed or underemployed leading to unsafe or unstable housing?

If you answered yes to any of these questions, you may be able to access support and resources from AVLF through direct assistance and referrals.

To see if we can help you, ask for Atlanta Volunteer Lawyers Foundation at your child's school or contact us directly.
