Based on the APS Quarantine Instructional Guidance document, the following Virtual Instructional Plan for Herman J. Russell West End Academy outlines the process for continuing instruction in a virtual setting for quarantined students.

Quarantined Students:

- Once a student has been quarantined, HJRWEA School Nurse (Ms. Warnick) will update HJRWEA COVID Absence Report located in a shared Google drive to inform teachers and the administrative staff of student absences. HJR West End Academy's school clerk will notify parents to:
 - Pick up a device from the school (*if the student does not already have an assigned device from the school*) & Virtual Learning Welcome Packet (Parent Notification Letter, Viral Solutions Testing Consent Form, Device Acknowledgement Receipt, COVID Testing locations near the school, COVID Mitigation Strategies
 - Complete outline of the student' daily assignments in Google Classroom.

Ms. Leverette, Special Education Lead Teacher and Ms. Porter, MTSS Specialist will review the HJRWEA COVID Absence Report daily to ensure that students receive their identified services.

- Within 24 hours, grade Level Support Personnel (6th Grade - N. Phillips, 7th Grade - D. Powell, and 8th Grade - J.Fredrick):
 - Will contact parents to complete student wellness checks and to ensure that parents/students understand how to access Google Classroom via MyBackpack.com and understand class assignment

completion expectations. (*Inform your Assistant Principal if you have trouble reaching a parent or if a student has not logged onto class*).

- Monitor if teachers have the following posted in Google Classroom: (Assignments; resources needed to complete the assignments i.e. videos, links, helpful information, etc.).

Device Distribution:

- Parents will be contacted if there is a need to pick up a device from the school.
- If students have an assigned device, they will take the device home along with a letter for quarantine steps and a parent virtual learning instruction brochure.

Internet Access:

- If parents contact teachers requesting internet support, teachers will contact Ms. Sims (*Instructional Technology Specialists*). Ms. Sims will add the students' name to the HJRWEA Hotspot Request Excel spreadsheet and submit the request to APS (if hotspots are available).
- If parents come to the school requesting a hotspot in the front office, office personnel will also be able to add the parent's name to the HJRWEA Hotspot Request Excel spreadsheet. Ms. Sims will review and submit the request to APS.

- Once the hotspot is delivered to the school, Ms. Sims will contact the parent. Parents will only receive one hotspot per household.
**Note: Names will be added to the spreadsheet only when there is a parent request.*

Virtual Instruction for Quarantined Scholars:

The H.J. Russell West End Academy's Virtual Learning Plan is designed to provide instruction and tutorial while students are out due to COVID-19 or other extenuating circumstances. There are four Virtual Learning models.

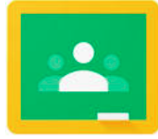

Whole Class Quarantine	Individual Quarantine	Teacher Quarantine	Whole School Quarantine
An entire class is quarantined due to COVID Cases/Exposure (including teacher)	One or more students test positive (unrelated cases) or one or more students test positive for COVID with exposure to other students within the	Teacher Test Positive for COVID (no evidence of student exposure)	Whole school/district closure due to COVID Outbreak

Can return after 10-day quarantine with NO COVID test result	Must return with a negative test result

Google Classroom Assignments

Teachers will list the directions for assignments and any resources needed to complete the assignments in Google Classroom. Teachers are strongly encouraged to use the academic apps in MyBackpack to provide assignments and also attach any supporting videos and links so that students have full access and necessary support to complete assignments.

Students will log into Zoom for academic support from 4:30PM to 5:30PM on Wednesdays during after school tutorials. Students can access after school tutorials through Google Classroom.

- Below is a link for additional parent directions on how to log into Zoom if they have trouble accessing the link in Google Classroom:

***Special Education and ESOL**

- If the whole class is quarantined, Special Education and ESOL teachers will access the homeroom teacher's Zoom link to join a breakout room with

individual or small groups of students. This will allow them to provide services as needed.

***Connection Teachers:**

- Connection teachers will post assignments, videos and links for students in Google Classroom.

***Google Classroom Assignments:**

Once a student has been documented as quarantined, teachers will notify parents that assignments are posted in Google Classroom and post this contact in Infinite Campus.

If a student has not completed assignments in Google Classroom, teachers will do the following:

3rd day: Contact the parent and document this information in the Infinite Campus contact log

5th day: Contact counselor (Mr. Fears, Ms. Watkins)

7th day: Contact social worker (Mr. Brown)

***Please note: If the parent states that the student has been sick, this will be documented in the Infinite Campus contact log and the student will be allowed to complete the assignments when they are feeling better.**
