What is Title 1?

Title 1 is the largest federal aid program for public schools in the United States. ... Title 1 provides federal funds to schools with high percentages of low-income students. According to the U.S. Department of Education, the purpose of Title 1 funding, "is to ensure that all children have a fair, equal, and significant opportunity to obtain a high quality education and reach, at minimum, proficiency on challenging state academic achievement standards and state academic assessments."

Schools are also required to help parents understand the Title I law and how to help their children.
