**Hello Parents/Guardians:**

### ***What exactly is Title I?***

Title I is one of the federal funding streams that supplements how much money each state allocates for schools. There are other “Title” funds too, I-VII, all aiming to aid students who have burdens that may get in the way of accessing an equitable education. These burdens include poverty, homelessness, living in state-run institutions, living in isolated rural districts, and those still learning the English language. (There is a separate funding stream for students with disabilities.)

According to the U.S. Department of Education, Title I was created “to ensure economically disadvantaged children receive a fair, equitable, and high-quality education, by helping to close academic achievement gaps.”

## Primary Headline:

### **Atlanta Public School Attendance Policy**

Students are expected to be present and arrive on time to school in accordance with the provisions of the Georgia Compulsory Attendance Law (O.C.G.A. 20-2-690.1, et seq.) and Atlanta Board of Education Policy (JB-R). Students who are absent or tardy miss valuable instructional time and other important school activities and are less likely to master those skills, concepts, and principles needed for success. Students who violate the attendance policy will be disciplined. Unexcused absences and/or truancy may also lead to legal action against the student and/or parents/guardians (see Student Attendance JB-R). The Atlanta Board of Education has developed an attendance protocol as mandated by House Bill 1190.
