

YMCA CAMP HIGH HARBOUR

A Summer of Adventure Awaits...

At YMCA Camp High Harbour's two locations on Lake Allatoona and Lake Burton in the North Georgia Mountains, campers have the opportunity to thrive, learn and lead.

Each day at camp is carefully planned to allow campers to develop skills, build confidence and experience exciting adventures in the great outdoors, far away from screens! Overnight camp fosters a strong sense of community and allows kids to build connections and friendships that can last a lifetime.

YMCA Camp High Harbour offers a general camp program called Pathfinders, along with two specialty camps, and a summer day camp. Our camps operate nine one-week sessions each summer. Campers live in air-conditioned cabins by the lake for a rustic camping experience.

Because of our scenic locations, quality programming and professional staff, YMCA Camp High Harbour is widely known as one of the leading camps in the southeast. From archery to the ropes course, and from paddleboarding to the climbing wall, all Y overnight camp programs and activities are designed to give campers the chance to create life-changing memories while having a blast!.
