Activate your Campus Portal account by entering the activation key sent to you by your district.

If you do not have an activation key, please visit the **Parent Portal** Activation Key Lookup page. You will need:

- Your child's Student Number (It can be found on your student's report card or transcript.)
- The last four digits of your child's Social Security Number (SSN) or the SSN-like number* assigned to your child.

*If you did not provide your child's SSN at enrollment/registration, they were assigned an SSN-like number. To receive the last four digits of that number, you will need to contact your child's school.

If you receive the error message that your Activation Key has already been used, that means you already have an account and should proceed to the **Login page**.

For help obtaining you activation key please reach out to your local school or submit a Let's Talk ticket.

Do I need to create my own account? Can't I just use my child's login?

- While students have access to many features they cannot complete Surveys, not can they update contact information. Students also cannot complete Online Registration.

What if I don't see all of my children?

 This means that the school may not have realized you were already in the system.
 Please contact your school and ask that your households be combined.
