Instructional Snapshot Quick Feedback	32

Thank you for debriefing with myself and Ms. Williams today. During our debriefing we discussed the following:

1. What was your learning target for today's lesson?
 - Familiarizing with identities
2. What was your success criteria?
 - Formalize different identities
3. How do you know students mastered it?
 - All students responded to the question
4. If you had to teach the lesson again, how would you improve it?
 - Put the students in groups
 - Have the students speak to each other
 - Rearrange the room

Glows

- Active Student voice within the classroom
- Real-world experiences to reflect

Wonders

- How did you know that all students mastered the lesson?
- Instructional Framework?
- How did the students know what they were supposed to master?

Next Steps

- Instructional Framework will posted
- Mastery of Learning
- Clearly identify Learning Target/Success Criteria
- **We will return on Monday during 2nd period to follow up.**
