
November 30, 2022

Season's greetings from Booker T. Washington High School. My name is William C. Wade, I am the proud Principal of BTWHS, Home of the Bulldogs. Washington HS is a wonderful environment where our main goal is to inspire students to think critically and become responsible citizens. Our entire staff is dedicated to fostering a rigorous learning environment that includes real-world relevancy and positive relationship building between students and staff.

As we prepare to close out our first 90 days of instruction, please be aware of the following. Students must be present and prompt daily. Students must make-up missed assignments and assessments. We encourage all parents and students to use the BTWHS website to find important resources and stay informed of a variety of school-wide events. We look forward to a partnership with parents and students to continue our tradition of school spirit and sustained excellence. Our BTWHS website has quick links to our calendar which include academic events, club meetings, and athletics.

We also encourage open lines of communication with the staff directory quick link. If you have specific questions about school procedures and day-to-day operations, please feel free to call or visit your Grade Level Administrator or the Counseling Department. Our hope is for a student, parent, and teacher partnership that will create strong instructional relationships with all students to inspire them to be lifelong learners. Thank you for your support! GO BULLDOGS!!!! Rigor- Relevance- Relationships

Yours in Education,
William C. Wade, Principal
Booker T. Washington HS
