

The Empty Stocking Fund brings joy to the lives of disadvantaged children by providing toys and gifts during the holiday season and other core, essential supplies throughout the year to support positive social and emotional development and academic success.

2020 Holiday Gift Distribution

In December, parents of children receiving public assistance are invited to Santa's Village where they can choose from a wide variety of toys, gifts, educational and clothing items for their children. More than 2,000 volunteers distribute gifts for nearly 50,000 children. This year we're modifying our approach to ensure the safety of our children, families, and volunteers. Orders will be placed on-line and gifts will be picked up from distribution partner locations across Atlanta.

1. REGISTER
emptystockingfund.org/holidays

2. SHOP
Once your registration has been approved, you will receive an email with links to our online store that will be specific to your child(ren)'s age group(s).

3. PICK-UP
By Thanksgiving, you will receive information about where and when you can pick-up your holiday gift packages

4. ENJOY
Enjoy! We hope these gifts help you and your family enjoy the holiday season.

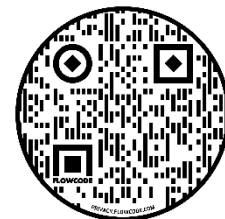

5. SHARE
Please share photos of your children with their gifts and stories! Email to holidays@emptystockingfund.org or share on one of our social media pages.

 EmptyStocking

Through relationships with wholesale distributors and in-kind donations from trusted corporations, the Empty Stocking Fund acquires brand new items in sufficient quantities to offer a variety of age- and gender-appropriate holiday gift choices and core school supplies. As such, we rely almost exclusively on financial contributions.
