Dear Hutchinson Go Team, Faculty, and Community,

It is with pleasure that I make you aware that Dr. Shunta Broadway has been selected to serve as a Network Director in the Salt Lake City School District. Her official last day is Friday, October 22, 2021. Principal Broadway has been an amazing leader at Hutchinson Elementary School since 2012, and has been directly responsible for student achievement growth, S.T.E.M certification and several partnerships including Delta Air Lines. Her love for her students and for a high-quality instructional experience for all will serve well in her new role. We know she will be deeply missed by her staff and students but is now able to make an even greater impact in Salt Lake City.

It is important that we place a highly qualified interim principal as Dr. Broadway transitions. I'm excited to share that Ms. Noletha High will serve as the Interim Principal. Ms. High has been working in Atlanta Public Schools for over fifteen years. She currently serves as the School's Business Manager, and previously served as the Program Director for the South Atlanta and Mays Clusters. With Ms. High having previous principal experience and leading the district's inaugural GO Team initiative, I am confident that she will continue to focus on student achievement while maintaining the mission and vision of the school. Additionally, she will provide stability and continuity of vision for the parents, students, teachers, and stakeholders of Hutchinson Elementary School. Ms. High is respected by all and has a vested interest in the continued growth and success of Hutchinson Elementary School. Her official start day is Monday, October 25, 2021.

Thank you in advance for your support and congratulatory remarks for Dr. Broadway and Ms. High.

Sincerely,

Mr. Tommy Usher,
K-12 Associate Superintendent
Carver and South Atlanta Cluster Schools

Estimados maestros, Equipo GO, y comunidad de Hutchinson,

Es un placer informarles que la Dra. Shuanta Broadway ha sido seleccionada para servir como Directora de la Red Escolar del Distrito Escolar de Salt Lake City. Su último día oficial es el viernes, 22 de octubre de 2021. Desde 2012, la directora Broadway ha sido una líder increíble en Hutchinson Elementary School, y ha sido directamente responsable del aumento del rendimiento estudiantil, la certificación STEM y varias asociaciones, incluida la de Delta Air Lines. Su amor por sus estudiantes y por una experiencia educativa de alta calidad para todos servirá bien en su nuevo puesto. Sabemos que su personal y estudiantes la extrañarán profundamente, pero ahora ella podrá tener un impacto aún mayor en Salt Lake City.

Es importante que coloquemos a un director interino altamente calificado a medida que la Dra. Broadway hace la transición. Me complace compartir que la Sra. Noletha High servirá como directora interina. La Sra. High ha trabajado en Atlanta Public Schools durante más de quince años. Actualmente se desempeña como administradora educativa de la escuela, y anteriormente como Directora de Programa de las zonas escolares South Atlanta y Mays. Con la experiencia previa como directora y por haber encabezado la inauguración de la iniciativa Equipo GO del distrito, estoy seguro de que la Sra. High continuará enfocándose en el rendimiento de los estudiantes mientras mantiene la misión y visión de la escuela. Además, brindará estabilidad y continuidad de visión a los padres, estudiantes, maestros y partes interesadas de Hutchinson Elementary School. La Sra. High es respetada por todos y tiene un gran interés en el continuo crecimiento y éxito de Hutchinson Elementary School. Su día de inicio oficial es el lunes, 25 de octubre de 2021.

Gracias de antemano por su apoyo y comentarios congratulatorios para la Dra. Broadway y la Sra. High.

Atentamente,

Sr. Tommy Usher,
Superintendente Asociado K-12
Zonas Escolares Carver y South Atlanta
