COMPETITIVE PROGRAMS AND SCHOLARSHIPS

2019 CHINA/CHENGDU AND UNITED STATES SISTER CITIES YOUTH DEBATE CHALLENGE

In order to encourage cultural and educational communication between Chengdu and its U.S. sister cities and friendly cooperative cities, and to provide a platform for Chinese and American youth for interactions, Chengdu Municipal Foreign Affairs Office and Chengdu Education Bureau has held the “China (Chengdu) - U.S. Sister Cities Youth Debate Challenge” in Chengdu in 2016 and 2017, and again this past November in 2019. The participants who are selected from “Chengdu Selections” will get the chance to debate with the outstanding teams recommended by U.S. sister cities over the same debate topic. The Chinese ambassador in the United States, Cui Tiankai, said in his letter of congratulations to the event in 2016, “the growth of youth is the hope and future of a country. The exchange between youth is the hope and future of a long, healthy and steady relationship between the two countries. This debate competition provides ample opportunities for our two countries, and for these teenagers to learn from each other.” Two North Atlanta freshmen proudly represented our warriors this past November, so we would like to congratulate the following young ladies on an outstanding performance.
