

Band Affirmation

If there is no struggle, there is no progress.

*The struggle is real, but so is the reward of our progress
that must follow.*

The struggle was never in our actions, but in our mind.

So today, we progress in how we think about what we do.

*We are faithful to present our music with the highest
level of integrity.*

*Our mind is made up to be dedicated to do our very best,
even when no one is watching.*

Be strong.... and Do It!
