TONY.FORD@ATLANTA.K12.GA.US:

I am excited to serve the Perkerson Wildcat family! I look forward to working with you to ensure that our students are successful, our parents are connected, and our staff is empowered.

I have been in education as a teacher and administrator for 18 years. I began my career in Florida teaching first, third, and fourth grade. When I moved to Georgia, I taught third, fourth, and fifth grade. Excitedly, I moved into administration after 12 years of teaching.

I am married with three children. We are a family that loves music, traveling, and spending time together.

My focus, as the new principal, is to increase proficiency in reading, writing, and math for all of our students. The instructional team at Perkerson will work hard to ensure that our students are college and career ready. Please inquire with your child's teacher about how you can become involved and volunteer at Perkerson Elementary School. Parents are a valuable member of every child's educational team and we need you.

We can and will ensure that every child in our school is successful.

We believe. We can. We will.

Sincerely,

Tony Ford, Ed. S
Principal
