

## WHAT IS A SCHOOL-PARENT COMPACT?

A compact is an agreement jointly developed between school staff, students and parents which will commit to working together to help students achieve grade level goals. This compact will be updated annually with input from school staff and families.

### What is the purpose of the compact?

The purpose of a compact is to list various ways each entity will carryout their commitment to assist students with meeting academic goals. The compact also includes ways the school, staff, and parents will communicate with each other.

- The school uses Class Dojo, email blasts, letters sent home, Robo calls, Remind 101, School website, Social Media Accounts, and Parent-Teacher conferences to communicate with families about students' academic progress.
- The principal along with entire staff will ensure that the school environment is safe, secure, and conducive for learning.

## JOINTLY DEVELOPED BY:

The parents, teachers and students of Boyd Elementary developed this school-parent compact. Teachers provided hard copies & online resources to assist families with homework, parents included various ways to encourage family engagement, and students gave feedback on their learning environment/climate and some of the challenges they face, academically.

Meetings are held bi-annually to review the compact & make changes based on student needs.

*Parents are welcomed to contribute comments and offer to volunteer at anytime.*

## Home Parent Commitment

- Attending school regularly and on time.
- Be engaged and actively participate in learning
- Completing homework assignments and read a book every night at home to expand vocabulary and increase test scores.
- Using innovative ideas and technology to develop regular study habits.
- Using Georgia Standards of Excellence (GSE) standards and math vocabulary to increase knowledge of testing terminology in an effort to increase Lexile reading scores.
