SUBJECT: Your Vote matters: Virginia-Highland Elementary GO Team

VHE Families,

I hope this email finds you well. As we continue to strive for excellence in our school community, I want to take a moment to remind you about an important opportunity to make your voice heard: the Virginia-Highland GO Team Elections.

But first, for those who might not be familiar, let me briefly explain what GO Teams are in Atlanta Public Schools (APS). GO Teams, or Governance Teams, are collaborative bodies that bring together parents, teachers, and community members to work alongside administrators in making important decisions regarding our school's strategic direction, budget, and other key areas. These teams play a crucial role in ensuring that our school operates in a manner that best serves the needs of our students and community.

Voting for our school's GO Team is currently underway. I encourage each and every one of you to actively participate in this process by casting your vote. Your input is invaluable in shaping the future of our school, and your vote can make a real difference.

To help you make informed decisions, I have included a link below where you can read about all of the candidates running for the GO Team who are current Virginia-Highland teachers. Please take the time to familiarize yourself with their platforms and qualifications before casting your vote.

Thank you for your dedication to Virginia-Highland Elementary School and for your commitment to ensuring that our school continues to thrive. If you have any questions about the GO Team Elections or the voting process, please don't hesitate to reach out.

Sincerely,

Terry Harness
Principal
