

Completing the FAFSA

"The Georgia Student Finance Commission helps students and their families complete the Free Application for Federal Student Aid (FAFSA), the federal application for financial aid (grants, work-study and loans) to pay for college. Learn what documentation is needed, how to get started, and what happens once you've submitted the application. The new FAFSA form will assist students in accessing an additional \$1.8 billion in federal student aid and will account for inflation for the 2024-2025 award year."
